CASE SYNOPSIS

On Tuesday, March 10, 2015 at about 1735 hours, Officer Quiroga (Canine Officer) initiated a traffic stop on a black Honda Accord bearing California license plate [REDACTED], for not having a front license plate in violation of Vehicle Code 5200. The vehicle failed to yield and led Officer Quiroga on a short pursuit. The vehicle eventually yielded in the 000 block of Gladiola Drive in National City.

Officer Quiroga initiated a [REDACTED] on the vehicle and ordered the driver, Jesus Anthony Flores-Azhocar, to show him his hands. Flores complied with Officer Quiroga's orders and stuck his hands out the driver's door window. Corporal Pierson and Officer Engelke arrived on scene and assisted with the [REDACTED].

Corporal Pierson moved to Officer Quiroga's position on the [REDACTED] of his vehicle so Officer Quiroga could get his Police Service Dog. Corporal Pierson positioned himself at the [REDACTED]. As Corporal Pierson raised his handgun to point at Flores, he accidentally discharged his firearm. The bullet struck Flores on his left arm.

Officers removed Flores from the vehicle and applied first aid to his wound. Paramedics arrived on scene and transported Flores to UCSD Medical Center in Hillcrest for a non-life threatening gunshot wound to his arm.

During a post Miranda Statement, Flores stated he fled from the officer because he was unlicensed and had an active misdemeanor warrant for his arrest. Flores was issued a misdemeanor citation for evading police in violation of Vehicle code 2800.1(a) and released from police custody at UCSD Medical Center.

The following individuals were present for the walk-through: Detective Nagle, District Attorney Investigator J.C. Smith, Sergeant Cameon (I.A.), Lieutenant Fifield (I.A.) and myself. Detective Springer recorded a video of the walk-through.

After the walk-through of the scene, Officer Quiroga retrieved his police service dog who was still in his patrol vehicle. Officer Quiroga secured his service dog and then returned to NCPD to be interviewed.

Detective Nagle and I responded to the NCPD detective bay conference room and met with Corporal Pierson and his attorney, Richard Pinckard. I then collected Corporal Pierson's department issued firearm, a [REDACTED] Model [REDACTED] (Serial number [REDACTED]). Corporal Pierson unloaded the firearm and removed his magazines. I collected the expelled cartridge from the firearm, the magazine which was inserted in the firearm, and [REDACTED] magazines from Corporal Pierson's duty belt. Corporal Pierson told me his magazines were filled to capacity which is [REDACTED] cartridges.

Corporal Pierson and his attorney requested we have the Internal Affairs Division present during the interview. Sergeant Cameon and Lieutenant Fifield subsequently responded to our location. Detective Nagle, District Attorney Investigator J.C. Smith, Sergeant Cameon (I.A.), Lieutenant Fifield (I.A.) and myself were present during the interview with Corporal Pierson. Our interview with Corporal Pierson was video/audio recorded. I later downloaded the recording onto a compact disc and impounded the disc into evidence at the NCPD Property and Evidence Room.

The following is a synopsis of Corporal Pierson's interview. For his complete interview refer to the compact disc containing the recorded interview.

STATEMENT OF CORPORAL DARREN PIERSON:

Pierson was working patrol with trainee, Officer Engelke, when he heard Officer Quiroga broadcast over the police radio that he was in a vehicle pursuit with a Honda Accord. Officer Quiroga put out that he was at Gladiola Drive. Corporal Pierson directed Officer Engelke to drive to the area.

Corporal Pierson is familiar with this particular area because it is on the border of the Old Town National City street gang and the Shelltown street gang from San Diego. Corporal Pierson has seen gang graffiti from Shelltown and their subset Gamma Street. Corporal Pierson has also made several arrests in the area.

When Corporal Pierson and Officer Engelke arrived on Gladiola Drive, he saw the suspect vehicle stopped right in the mouth of Gladiola Drive with E. Division Street. Officer Quiroga was behind the suspect vehicle and was conducting a [REDACTED]. Officer Quiroga was outside his driver's door pointing his gun at the suspect/driver. Based on the fact the suspect failed to yield to Officer Quiroga, Corporal Pierson believed he was possibly driving a stolen vehicle, in possession of a firearm or contraband, or had just committed a felony crime.

Corporal Pierson started to move to the front passenger side of Officer Quiroga's patrol vehicle when Officer Quiroga directed him to come to the driver's side. Corporal Pierson moved to Officer Quiroga's position behind the driver's door. Officer Quiroga told Corporal Pierson to take over his position so he could retrieve his canine.

As a result of hitting his arm, Corporal Pierson accidentally pulled the trigger discharging one bullet in a northerly direction, towards the suspect.

When Corporal Pierson heard the round go off it took him a "minute" to realize his handgun had moved and he discharged the round. Corporal Pierson and Officer Quiroga quickly changed their mindset from being concerned about what the suspect was doing and the threat he posed to now being worried about what condition he was in.

The suspect leaned out the driver's window and said, "Hey, you shot me." Corporal Pierson and Officer Quiroga advanced on the vehicle and realized the suspect sustained a gunshot wound to his left arm. Corporal Pierson immediately requested paramedics and a supervisor respond to the scene.

Corporal Pierson and Officer Quiroga told the suspect they were going to pull him out of the vehicle and administer first aid to his injury. The suspect was subsequently taken out of the vehicle and sat down off to the side. Officers immediately applied bandages and pressure to the suspect's injury until paramedics arrived on scene.

INVESTIGATION CONTINUED:

After interviewing Corporal Pierson, Detective Nagle and I, interviewed Officer Engelke. Our interview with Officer Engelke was conducted in NCPD Interview Room B. The interview was audio/video recorded. Officer Engelke also completed a supplemental report detailing his involvement with this incident.

STATEMENT OF OFFICER KEVIN ENGELKE:

On Tuesday, March 10, 2015 at about 1735 hours, Officer Engelke was partnered with Field Training Officer Darren Pierson. Officer Engelke was driving a marked patrol vehicle in the area of E. 6th Street and D Avenue. Officer Engelke heard a radio call that Officer Quiroga was following a vehicle and it was not pulling over. Officer Engelke believed the suspect was possibly wanted and that was the reason he did not pull over.

Officer Engelke responded with his emergency lights and siren activated to the area of E. 1st Street and F Avenue. Officer Quiroga then broadcasted that the vehicle had stopped in area of E. Division Street and Gladiola Drive. Officer Engelke subsequently responded to the area and pulled in behind Officer Quiroga's patrol vehicle.

Officer Engelke saw Officer Quiroga outside his vehicle, pointing his gun at the vehicle. Officer Engelke and Corporal Pierson exited their patrol vehicle. Officer Engelke moved to the [REDACTED] and Corporal Pierson moved to [REDACTED] of Officer Quiroga's vehicle. Officer Engelke opened [REDACTED] [REDACTED] drew his handgun and pointed it at the vehicle.

Officer Engelke saw the suspect's hands extended out the driver's window. The suspect's hands then started to go limp and it appeared to go back inside the vehicle. Officer Engelke said his view was partially obstructed so he wasn't sure where the suspect placed his hands.

Officer Engelke then heard a gunshot. Officer Engelke looked over at Corporal Pierson. Corporal Pierson appeared to be looking at his gun and said, "Oh shit." The suspect then said, "I'm hit, I got shot." Officer Quiroga then ordered the suspect to put his hands out the driver's window.

Corporal Pierson ran up to the suspect vehicle and opened the door. At that point Officer Engelke saw that the suspect had been shot in the left arm. Officer Engelke and Officer Kalankiewics (who arrived on scene after the shooting) sat the suspect on the ground, patted him down and searched his pockets. Office Engelke and Kalankiewics then bandaged the suspect's wound and applied pressure to it until paramedics arrived on scene.

Officer Engelke said the suspect did not have any weapons in his possession. The suspect had a cellphone and a long skinny tool in his pocket. The suspect said he used the tool to pick doors.

After interviewing Officer Engelke, Detective Nagle and I, interviewed Officer Quiroga. Our interview with Officer Quiroga was conducted in the NCPD Line Up room. The interview was audio/video recorded. Officer Quiroga also completed an arrest report for Flores.

The following is a synopsis of Officer Quiroga's statement. For Officer Quiroga's full statement refer to his arrest report of and the compact disc containing the recorded interview.

STATEMENT OF OFFICER RAZIEL QUIROGA:

On Tuesday, March 10, 2014 at about 1735 hours, Officer Quiroga was conducting extra patrol in the area of E. 3rd Street and B Avenue. Officer Quiroga was turning northbound from E. 3rd Street onto B Avenue when he observed a black Honda Accord traveling northbound in the 300 block of B Avenue. The vehicle did not have a front license plate in violation of 5200(a) Vehicle Code.

The vehicle then turned eastbound onto E. 3rd Street. Officer Quiroga made a U-turn to get back onto E. 3rd Street to pursue the vehicle. When Officer Quiroga got onto E. 3rd Street he noticed the vehicle had picked up speed and failed to stop at the stop sign in the intersection of E. 3rd Street and D Avenue. Officer Quiroga activated his emergency lights and attempted to conduct a traffic stop on the vehicle.

The suspect vehicle failed to stop and continued traveling eastbound on E. 3rd Street. The vehicle then turned northbound onto F Avenue failing to stop at the stop sign and almost colliding with a vehicle traveling southbound on F Avenue. Officer Quiroga then activated his sirens and continued to pursue the vehicle.

The vehicle then turned westbound onto E. 1st Street traveling on the eastbound lane before turning northbound onto Gladiola Drive (alley). The vehicle sped through the alley and skidded to a stop at the intersection with E. Division Street. Officer Quiroga caught up to the vehicle and initiated a [REDACTED]. Officer Quiroga drew his handgun and pointed it at the suspect.

The suspect immediately put his hands up. Officer Quiroga ordered the suspect to stick his hands outside the driver window and he complied. The suspect complied with Officer Quiroga's orders.

About that time, Corporal Pierson and Officer Engelke arrived on scene. Officer Quiroga asked someone to come to his side and take over his position at the [REDACTED]. Officer Quiroga moved off to his left and Corporal Pierson took over his position.

As Officer Quiroga turned towards Corporal Pierson, he saw the suspect's hands come back down and then Corporal Pierson fired one shot. Corporal Pierson then said, "Oh shit."

Officer Quiroga focused his attention back on the suspect and saw a piece of the driver side mirror fall to the ground. The suspect had both his hands back inside the vehicle. INVESTIGATION CONTINUED:

Once Detectives finished processing the scene, Flores' vehicle was impounded by Road One Towing for 14602.6 CVC – Unlicensed Driver and placed on a 30 day hold. For details regarding the tow refer to Officer Gisi's supplemental report.

The suspect, Jesus Flores-Azhocar, was admitted at UCSD Medical Center. Flores sustained a broken elbow as a result of the gunshot wound and required surgery. Detectives' Depascale and Fernando obtained a signed consent to release medical records form from Flores. Flores also consensually provided detectives with a blood sample. Refer to Detectives Fernando's and Depascale's supplemental reports for further details. Since Flores was not scheduled for surgery until the following day he was issued a misdemeanor citation for 2800.1(a) PC – Evading Police and released at the hospital (Citation #N232499).

On Wednesday, March 11, 2015, I removed Corporal Pierson's firearm, [REDACTED] Model [REDACTED] (Serial number [REDACTED]) the expelled cartridge from the firearm, and the [REDACTED] magazines from the detective temporary evidence storage room. I took the items into the NCPD Property and Evidence Room where they were photographed by Property and Evidence Specialist A. Flores. The firearm was then inspected by Detective A. Garcia, who is a NCPD [REDACTED] Armorer. Detective Garcia told me the firearm appeared to be in good working order and had no modifications.

I then unloaded the [REDACTED] magazines I obtained from Corporal Pierson. The magazine that was removed from the firearm contained [REDACTED] cartridges. The [REDACTED] magazines from the magazine pouch each contained [REDACTED] cartridges each. There was a total of [REDACTED] cartridges which is consistent with Corporal Pierson only discharging one cartridge.

After the above items were photographed, Detective Fernando assisted me with impounding the items. P.E.S. Flores later downloaded the photographs onto a compact disc and impounded the disc into evidence. Detective Fernando completed a Crime Lab Work Request to have Corporal Pierson's firearm tested for operability and to have Flores' blood analyzed for the presence of alcohol and drugs.

On Friday, March 13, 2015, Officer Phillips responded to UCSD Medical Center, to take custody of a bullet fragment that was removed from Flores' arm during his medical treatment. Officer Phillips later impounded the fragment into evidence at the NCPD Property and Evidence room. Refer to Officer Phillips supplemental report for further details.

On Wednesday, March 25, 2015, Corporal Pierson's firearm returned from the San Diego Sheriff's Department Crime Lab. The Laboratory Service Report for the firearm arrived on April 21, 2015 with the following conclusion:

The [REDACTED] pistol is operable and the magazine is correct for the pistol. The unexpended cartridges are correct for the pistol and are consistent with [REDACTED] ammunition.

For further details regarding the lab analysis of Corporal Pierson's firearm refer to the Sheriff's Crime Lab Report.

On Wednesday, April 01, 2015, Detective Fernando and I, responded to UCSD Medical Center to obtain Flores' medical records. I provided the Medical Records Department with a copy of the Authorization to Release Patient Records Form signed by Flores. I was then given a copy of Flores' medical records. The medical records stated that Flores had comminution (splintering) of the bones within the region of his left elbow (proximal ulna, distal ulna, and olecranon). For further details regarding Flores' injury refer to the medical records which were impounded into evidence.

On Wednesday, April 15, 2015, I received the Laboratory Service Report for Flores' Blood Alcohol Concentration. The report indicated that Flores did not have alcohol in his system. I am still waiting on the crime lab report indicating the presence of any drug or narcotic in Flores' blood.

On Wednesday, April 15, 2015, I also spoke to [REDACTED], the suspect's [REDACTED]. I asked [REDACTED] if I could speak with her [REDACTED] Jesus Flores (suspect). [REDACTED] informed me that I needed to go through his attorney. I told [REDACTED] I needed to inform Flores that the court date on his misdemeanor citation (#N232499) for the 2800.1(a) VC had changed and he would be receiving further instructions in the mail. [REDACTED] told me she would let Flores know.

OFFICER'S ARREST REPORT

On 03-10-15 at approximately 1735 hours, I initiated a traffic stop on a vehicle in the area of 300 East 3rd Street, National City.

I was in full police uniform driving a marked National City Police vehicle. I was driving the police vehicle westbound in the area of 200 East 3rd Street. I arrived at the intersection of East 3rd Street and B Avenue and made a right turn to drive north onto B Avenue. I saw there were two vehicles traveling northbound on B Avenue; these two vehicles had been stopped at the intersection with East 3rd Street. The first vehicle was a green Chevrolet suburban and the vehicle behind the Suburban was a Black Honda. Prior to making the right turn onto B Avenue, I saw that the Honda did not have a front plate; this was a violation of section 5200 (a) of the California Vehicle Code.

I decided to conduct a traffic stop on the Honda so I stopped my police vehicle to the right and allowed the Suburban to pass me thinking that the Honda would continue to drive north on B Avenue. However; the Honda did not continue to drive north and the driver, later identified as Jesus Anthony Flores-Azhocar, made a right turn to drive the vehicle east onto East 3rd Street. Once the Suburban passed me, I made a three point turn and proceeded to drive south on B Avenue and subsequently east onto East 3rd Street. Once I drove my police vehicle East onto East 3rd Street, I could see that Flores was driving his vehicle at a high rate of speed. I saw there was dust in the air from him speeding. I then saw Flores did not make a complete stop at the stop sign located at East 3rd Street and D Avenue, a violation of section 22450(a) of the California Vehicle Code.

I sped up to catch up to Flores and crossed the intersection of East 3rd Street and D Avenue. While in the area of 500 East 3rd Street, I activated my emergency lights which include a red solid light. I was approximately three to five vehicle lengths behind Flores. I tried to radio dispatch, but I was unable to because another officer was on the air. Flores did not yield to my emergency lights and sped away still eastbound and arrived at the intersection of East 3rd Street and F Avenue. Flores did not stop at this intersection and entered it at a high rate of speed; not yielding to a vehicle traveling southbound on F Avenue. I saw that this vehicle had to brake to avoid a collision with Flores. Flores violated section 21801 (a) of the California Vehicle Code. (I later drove by this same intersection and I saw there was a stop sign at which Flores did not stop. Flores again violated section 22450 (a) of the California Vehicle Code when he ran that stop sign). Flores drove the Honda northbound onto F Avenue.

The first thing that I thought about when Flores failed to yield to my emergency lights was that he was probably driving a stolen vehicle. During my tenure as a police officer, I have investigated or assisted in the investigation of more than 20 stolen vehicles where the vehicles were Hondas. I became nervous at the thought of this because, just a few days prior to this stop, we had been briefed about a officer involved shooting where the suspect of a stolen vehicle had run out of the stolen vehicle with a firearm in his hand. This suspect was shot by a District Attorney Investigator. I have also been involved in the investigation of or assisted in investigations of more than ten stolen vehicles where firearms were involved.

I drove my police vehicle north on F Avenue and radioed dispatch that I was in pursuit of a black Honda. [REDACTED]

[REDACTED] I activated my police siren and Flores continued to fail to yield and traveled to the intersection of East 1st Street and F Avenue. I paced Flores with my police vehicle and he traveled at

approximately 50 miles per hour. Flores drove his vehicle the wrong way, westbound onto the eastbound lane of East 1st Street. Flores violated section 21650 of the California Vehicle Code. I followed Flores and I saw that he then drove northbound onto Gladiola Drive. Once I made the northbound turn onto Gladiola Drive (which is essentially an alley with a street name), I saw there was dust everywhere, Flores was speeding through the alley (Gladiola Drive) and had arrived to the intersection of East Division Street and Gladiola Drive. I saw that Flores slammed on his brakes which caused his vehicle to skid to a stop. There were two vehicles that had been traveling eastbound on East Division Street, which Flores would have collided with had he not stopped his vehicle.

I stopped my police vehicle behind Flores and I initiated a [REDACTED] and ordered him to stick his hands out of his window. I stood behind the [REDACTED] of my police vehicle near the [REDACTED] and held Flores at gunpoint. I radioed my location and waited until more police officers arrived. While I waited for other police officers to arrive, I said the following to Flores "Keep your hands out of the window. If you bring your hands down you are going to get shot." I heard a police vehicle arrive and without taking my eyes away from Flores, I signaled the officer with my right hand to come to my location. I said "I need someone to take my spot." I saw that the officer was Corporal Pierson. I wanted Corporal Pierson to [REDACTED] so that I could get my [REDACTED] out of the back of my police vehicle.

Corporal Pierson said something to the effect of "I got you Q," ('Q' is the nickname to which I'm often referred to as). I moved slightly to my left and allowed Corporal Pierson to take the position I originally had near the [REDACTED]. Once Corporal Pierson began to take my position and take his firearm out, I began turning my head to the right and started to bring my firearm to my holster. Corporal Pierson and I stood shoulder to shoulder. Flores began to bring his hands down into the vehicle. Simultaneously, I heard a Corporal Pierson shoot his firearm once while it was pointed in Flores' direction. I turned back to Flores and I saw that he did not have his hands up anymore. I ordered Flores to bring his hands back up and I saw that he was bleeding from his left arm. I believed that Flores had been shot. I then made the decision to move to Flores to render him aid [REDACTED]. Corporal Pierson and I walked to Flores; I still had my firearm pointed at him.

I opened the driver's side door, holstered my firearm and had Flores exit his vehicle. I saw that Flores had a gunshot wound to the left arm. Officer Kalankiewicz arrived and he walked Flores to a retaining wall located to the west side of Flores' vehicle. Corporal Pierson requested paramedics for Flores. I walked to my police vehicle and I retrieved a gauze pad and band. I gave the pad and band to Officer Kalankiewicz and instructed him on how to apply it to Flores' wound. Flores stated he did not stop because he had a suspended license and he knew he had a misdemeanor warrant. Flores also stated that he became scared when he saw the police. Paramedics arrived and transported Flores to the hospital for further treatment.

Corporal Wilkins arrived and assumed the investigation. I walked back to my police vehicle to close the driver's side door and I saw there was a shell casing on the driver's side floor board. Detectives from the NCPD Investigations Division arrived and continued the investigation.

OFFICER'S SUPPLEMENTAL

On Tuesday, March 10, 2015 at about 1735 hours I was working as a uniformed National City Police Officer partnered with Corporal Pierson. We were driving a marked police vehicle. On this date and time, we heard a radio broadcast from Officer Quiroga that he was attempting to conduct a traffic stop which turned into a pursuit. I responded with lights and siren to assist Officer Quiroga in a pursuit in the area of E. 1st and F Ave.

While en route to assist, I heard over the radio the vehicle had stopped at Division St. and Gladiola Dr.

I drove onto Gladiola Dr. from E. 1st St. and stopped behind Officer Quiroga's vehicle. I saw Officer Quiroga had his handgun pointed at the vehicle. I saw a black Honda four door facing northbound on 00 Gladiola Avenue.

I ran to Officer Quiroga's [REDACTED] and opened it, while Corporal Pierson ran to the [REDACTED] of Officer Quiroga's vehicle. I used [REDACTED] as [REDACTED] while we were in the process of conducting a "[REDACTED]" It appeared to only have one occupant in the vehicle. The suspect in the vehicle had his hands out the driver's side window, fully extended. From my vantage point it appeared the suspect started to put his hands down into the vehicle. I heard a gunshot and I immediately looked at Corporal Pierson, who said "Oh, shit" and he looked at his handgun. Officer Quiroga told the suspect to keep his hands out the window, and he complied by keeping his arms out of the window. I heard the suspect in the vehicle say what appeared to be "I'm hit!" Corporal Pierson walked to the suspect's driver side door and opened the door. I walked to the driver's side door of the suspect's vehicle and saw that the suspect was holding his left arm. The suspect stated, "Why did you shoot me?" Officer Kalankiewicz and I started first-aid for the suspect and applied pressure to the wound on his left arm. While I applied pressure on the wound, Officer Kalankiewicz applied a first-aid wrap around the suspect's arm.

After the scene was secured, I took over as the crime scene scribe on the north perimeter at E. Division and Gladiola Dr. Listed below are the individuals I documented in and out of the crime scene.

Since possible fragments of a bullet casing were found on Division St. just north of the suspect's vehicle, I replaced the crime scene tape further east on the 500 block of Division St. to secure the fragments.

At about 1840 hours, I was relieved as scribe by Officer Sakamoto.

DETECTIVE'S SUPPLEMENTAL

On March 10, 2015, at approximately 1810 hours, Sergeant Smith notified me via telephone to respond to NCPD to assist with an investigation into an officer involved shooting that just occurred at 00 Gladiola Drive in National City. Upon my arrival to NCPD, I was informed that I would be assisting Property & Evidence Specialist Flores and Detective Gonzales with the crime scene.

All of the investigating detectives met with Corporal Wilkins near the scene and were briefed regarding the facts and information available at that time. The crime scene had already been cordoned off with crime scene tape prior our arrival. The area of the crime scene was very dark at the time; some of it was dimly lit by the lights from two nearby homes. So, without the use of an alternate light source, it was difficult to see any evidence inside the scene. Detective Gonzales and I assisted Flores while she photographed part of the scene on Division Street without numbered evidence markers. Prior to entering onto Gladiola Drive, Officer Quiroga assisted us by conducting a "walk-through" of the scene in order to avoid disturbing evidence and to gain a better understanding of the events that took place during the incident. I used a digital camcorder to video/audio record Officer Quiroga's "walk through" statement.

After Officer Quiroga's "walk through" statement, Flores continued to photograph the scene. I used a digital camera to photograph the position of Flores' camera during part of the investigation – in order to document the exact location of her camera in perspective to the scene. Detective Gonzales and I assisted Flores by lighting the scene, marking/numbering evidence, taking measurements, and collecting evidence. Refer to Detective Gonzales' and Property & Evidence Special Flores' Supplemental Reports for further details.

The following day, March 11, 2015, I returned to the scene and photographed the area of the scene during daylight hours. On March 12, 2015, Detectives Fernando, Gonzales, and I met with the resident at [REDACTED] and obtained permission to enter the home in order to photograph Gladiola Drive from inside the northeast bedroom. The photographs were shot through the home's northeast bedroom window (facing north) in order to show a general perspective someone would have when viewing Gladiola Drive from that particular location. Afterward, I assisted Detective Gonzales measure the distance from the northeast window (facing north) of [REDACTED] to the blood stains on Gladiola Drive. Refer to Detective Gonzales' Supplemental Report for details.

On March 12, 2015, I met with Property & Evidence Specialist Flores at the NCPD Property & Evidence station and obtained the two round containers (suspected of containing "honey oil") that were collected from the Honda Accord at the scene. The substance contained inside both round containers had the color of honey and a consistency of a smooth paste or cream. When opened, the substance contained in both containers had a strong smell of marijuana. I obtained the gross weight (12.5 grams) of both containers including the substance contained within them. Then, I submitted part of the substance contained in one container to a presumptive test, which indicated it contained THC (Hash Oil). Afterward, I placed both containers into a kapak bag and sealed it as evidence. Then, I gave the packaged evidence back to Property & Evidence Specialist Flores.

That same day, I arranged to photograph the entire scene while inside ASTREA as it flew over National City. I impounded all of the digital evidence (photographs and audio/video that I took during this investigation) into the NCPD Property & Evidence.

OFFICER'S SUPPLEMENTAL

On March 10, 2015 at about 1735, I monitored a radio broadcast from Officer Quiroga regarding a vehicle that was failing to yield after he attempted to initiate a traffic stop. The area Officer Quiroga attempted to conduct the traffic stop was East 1st Street and F Avenue. I continued to monitor as Officer Quiroga radioed that the driver of a Black Honda Accord (California [REDACTED]) was driving erratically and without regard for public safety.

At about, 1737 hours, Officer Quiroga radioed the vehicle came to a stop at Gladiola Drive and East Division Street. At about this time, I heard Officer Quiroga request for Paramedics/Fire personnel and a Supervisor to respond to the scene. At this time, I was the Acting Sergeant and Field Supervisor and was already responding from the area of 800 Roosevelt Avenue.

Upon my arrival (at approximately 1739 hours) I saw a Hispanic male (identified as Jesus Flores-Azhocar (09/30/94) seated on the ground with his left arm elevated as Officers Quiroga and Kalankiewicz appeared to be administering first aid. Flores-Azhocar was bleeding from his left elbow which Officer Quiroga had already wrapped with gauze and a bandage.

I was initially briefed by Officer Quiroga as to what occurred prior to my arrival.

Following the pursuit Flores-Azhocar was forced to stop his vehicle in order to avoid colliding with another vehicle that was travelling east on Division Street. Flores-Azhocar's brought his Honda came to a stop facing north in the 000 Block of Gladiola Drive. Quiroga and other officers (Pierson, Engelke, and Kalankiewicz) initiated a [REDACTED]. Quiroga told the suspect (Flores-Azhocar) to place his hands up in the air. Quiroga stated he told Flores-Azhocar not to lower his hands or he would be shot. Quiroga saw Flores-Azhocar raise his hands and then suddenly drop them. Corporal Pierson had a tactical position behind Quiroga and Pierson fired one shot striking the suspect in the left arm.

After realizing the suspect was hit by the round, Quiroga directed him out of the vehicle and ensured Flores-Azhocar did not have weapons. Quiroga, then immediately administered first aid to the suspect's gunshot wound to his left elbow.

As I was speaking with Quiroga, other officers were securing the scene from both the south and north ends of Gladiola Drive and the area of Flower Drive and Division Street. I noted the following National City Police Officers were on scene: Quiroga #457, Kalankiewicz #481, Engelke #482, G. Gonzalez #473, Duran #479, Stevens #475, Gisi #418 as well as Corporal Pierson #440. San Diego Fire Engine Company #12 along with AMR Unit #413 arrived on scene and attended to Flores-Azhocar's gunshot wound. AMR #413 transported Flores Azhocar to UCSD Medical Center for further medical treatment. Officer Kalankiewicz accompanied to the suspect to UCSD Medical Center.

I did speak with Corporal Pierson who was visibly shaken, pale and had a distant gaze. I asked him if he was okay and he responded that he believed so. I obtained the following public safety statement from Corporal Pierson:

At the conclusion of the vehicle pursuit, Pierson and Engelke took up a tactical position by Officer Quiroga's vehicle to initiate a [REDACTED]. Pierson had his handgun out and he fired one round in a northern direction (in the 000 block of Gladiola Drive). Pierson's sole round struck the suspect (Flores-Azhocar) in his left arm. The expended shell casing ejected inside and was on the floorboard of Officer Quiroga's patrol vehicle.

Shortly afterwards, I arranged for Corporal Pierson to be transported away from the scene and to the police station by Sergeant D. Leach. Lieutenant G. Seward also arrived on scene as the night watch commander [REDACTED].

Following the securing of the crime scene, Officer Engelke was assigned as the north end scribe and Officer G. Gonzalez was assigned to the south end. All other officers on scene conducted witness checks of the area. In addition to the aforementioned officers, we were further assisted by Officers McGough #448, Adams #437 and Sakamoto #439. Officer Engelke was eventually relieved as the crime scene scribe by Officer Sakamoto.

The scene was secured until the arrival of Investigations and Internal Affairs. I conducted a briefing in which all of the above information was told to investigators on scene.

From this point, the investigation was handled by Investigations personnel. Detective Zeferino was assigned as the case agent for this incident.

End of Report.

DETECTIVE'S SUPPLEMENTAL REPORT

On 3/10/15, at about 1804 hours, I received a phone call from my supervisor, Sgt. Matt Smith. Sgt. Smith told me to report to NCPD to assist with an Officer Involved Shooting that had just occurred.

On 3/10/15, at about 1851 hours, I arrived at NCPD and met briefly with the other NCPD Detectives. Then, we headed out to the scene, located at Division and Gladiola. We met briefly with Corporal Wilkins, who briefed us on the incident. Detective Zeferino was assigned as the case agent for this investigation and tasked me with interviewing witnesses in this incident.

On 3/10/15, at about 2015 hours, Detective Depascale and I went to [REDACTED] [REDACTED] is the home of [REDACTED] and his parents, [REDACTED] and [REDACTED]. [REDACTED] is at the corner of Division Street and Gladiola Drive. The front door to this home faces [REDACTED] toward Division Street. The [REDACTED] side of [REDACTED] is adjacent to Gladiola Drive.

Detective Depascale and I met with witness [REDACTED] and his mother, [REDACTED]. Detective Depascale and I recorded the interviews on two different audio recording devices. I later saved the recording to a CD Rom and impounded it for evidence at NCPD with property tag# I0097942.

STATEMENT OF [REDACTED] (WITNESS):

The following is a summary of the interview with [REDACTED]. Refer to the audio recording for the entire interview.

On 3/10/15, at about 1535 hours, [REDACTED] was at home in his room playing video games. He heard a commotion outside of his window. [REDACTED] opened his window and saw a police car stopped behind a black Honda. The police officer was doing a traffic stop on the black Honda. The police officer was at the driver's side door of the police car with his gun pointed at the suspect (herein referred to as Flores). The police officer was yelling out a series of commands to Flores such as "Hands up!", "Hands on your steering wheel!", "If you don't I will shoot you!"

[REDACTED] went about his business and moved away from the window. Moments later, [REDACTED] heard a gunshot and ducked down. [REDACTED] moved back to the window and began filming the incident on his cell phone. [REDACTED] saw multiple police officers pointing their guns at Flores. Officers then took Flores out of the car and administered first aid to him.

[REDACTED] recognized the driver as an acquaintance known only as "Alert" and was initially upset about the shooting. [REDACTED] did not record the actual shooting.

Supplemental Report

On March 10, 2015, at approximately 1800 hours, Sergeant Smith notified me via telephone to respond to NCPD to process a crime scene on an officer involved shooting that just occurred at 00 Gladiola in National City. Upon arrival to NCPD, I was assigned to process the crime scene and Detective Springer and Detective Gonzales, R would be assisting. I loaded my equipment in my vehicle and drove to the crime scene and met with all the Detectives. We were briefed by Corporal Wilkins on the incident.

I started documenting the crime scene by taking overall photographs, Detective Springer assisted me with the lighting while I was photographing certain areas that were very dark. Detective Springer and Detective Gonzales assisted in placing the evidence markers on the evidence that was being collected. After all the evidence numbers were in place I took additional overall and close-up photos of the crime scene and evidence. I then assisted Detective Springer and Detective Gonzales in obtaining the measurement of the crime scene and location of the evidence.

Detective Gonzales collected the evidence and I took custody of all evidence (see evidence list for details).

Detective Springer then advised me that per Detective Zeferino, he wanted me to process the suspect's vehicle which was a black Honda Accord bearing CA plates [REDACTED] located at 00 Gladiola Ave.

I took overall exterior and interior photos of the vehicle, the vehicle was searched by Detective Springer and Detective Ballard. They handed me items of evidence that was located inside the vehicle to be impounded (see evidence list for details).

At approximately 2357 hours, I completed processing the crime scene. I transported all the evidence to the NCPD Property & Evidence Unit.

On 03/11/15, at approximately 0049 hours, I met with Detective Zeferino at NCPD and he wanted me to collect a mouth swab and photograph the suspect, Jesus Anthony Flores-Azhocar at UCSD, Hillcrest in San Diego. I arrived at UCSD at approximately 0107 hours and met with Detective Fernando and Detective Depascale they took me to the room where the suspect was in and I obtained two mouth swab and took photos of Flores-Azhocar.

On 03/11/15, Detective Fernando and Detective Zeferino came down to NCPD crime lab and brought down Corporal Pierson's duty weapon, a [REDACTED] pistol with magazine and cartridges. Detective Fernando requested that I photograph the weapon and [REDACTED] cal. [REDACTED] cartridges.

At approximately 0126 hours, I completed my assignment and impound all the evidence into the Property & Evidence Unit (see evidence list for details).

OFFICER'S SUPPLEMENTAL

On March 10th, 2015, at approximately 1735 hours, I heard Officer Quiroga initiate a vehicle pursuit over NCPD Dispatch. The pursuit ended in the 000 block of Gladiola Drive in National City. I responded to the scene to assist. Upon arrival, I noticed a crime scene at the north end of the 000 block of Gladiola Drive. I immediately secured the south side of the 000 block of Gladiola Drive with police tape. A witness who was later identified as [REDACTED] approached me and provided me with a brief statement. [REDACTED] resides at [REDACTED]. See statement below for further details.

STATEMENT OF [REDACTED] (WITNESS):

[REDACTED] resides at [REDACTED]. [REDACTED] was asleep in her room at approximately 1740 hours when she awoke to screeching tires. Within moments, [REDACTED] heard three loud pops that sounded like a car backfires. [REDACTED] was unsure if they were gunshots. [REDACTED] noticed the pops were very close together, one right after another. [REDACTED] then went back to sleep.

During the investigation, I was assigned the task of scribe for the south end of the 000 block of Gladiola Drive. I documented any person who entered or exited the crime scene. I began scribing at approximately 1753 hours. At 1753 hours, Community Services Officer Corado, NCPD Officer McGough, and I were within the crime scene at the time I began scribing.

NATIONAL CITY POLICE DEPARTMENT
OFFICE OF THE CHIEF OF POLICE

January 22, 2018

Darren Pierson, Corporal
[REDACTED]
[REDACTED]

Ref: Skelly v. State Personnel Board

Dear Corporal Pierson,

In accordance to Skelly v. State Personnel Board (1975) 15 Cal.3d 194 and the City of National City Civil Service Rule VIII Section 801 through 810, I hereby advise you that I have made the decision to Affirm your twenty (40) hour suspension from your position as a Police Corporal with the City of National City.

A pre-disciplinary appeal was held before me on January 16, 2018. You were present and were represented by Attorney Rick Pinckard. You and your representative made oral statements and in general there was no denial regarding the factual actions in this case.

Attorney Pinckard stated the discharge of the weapon was unintentional and not negligent and made on a bona fide felony hot stop after a pursuit. While there is a significant amount of stress and pressure in a felony hot stop, it important that police officers exercise both officer and community safety simultaneously.

As a result of your actions you violated the below mentioned policies which are listed for your convenience:

VIOLATION(S):

1. Rules and Regulations 5.0 – Performance of Duty:

“Employees shall maintain sufficient competency to enable them to properly perform the duties and to assume the responsibilities of their positions. Employees shall perform their duties in a manner which will maintain acceptable standards of efficiency in carrying out the functions and objectives of the department.”

NATIONAL CITY POLICE DEPARTMENT
OFFICE OF THE CHIEF OF POLICE

2. Operating Procedure 051-Firearms:

Employees, "Officers shall not unnecessarily display any firearm in a public place, or carelessly handle a firearm at any time."

This letter serves as notice that the National City Police Department will move forward with a forty (40) hour suspension from your position as a Police Corporal with the City of National City. Note that this a 40 hours suspension is based upon any one of the above violations and need not be based upon your commission of more than one violation.

RIGHT TO RESPOND

In accordance with Civil Service Rule VIII, Sections 806 and 807, you have the right to appeal your Suspension to the Civil Service Commission. If you wish to appeal, your written request for appeal must be delivered within 15 calendar days of the date of this communication (January 22, 2018) to the Human Resources Department located at 140 E. 12th Street, Suite A, National City, CA 91950. Failure to submit a written appeal to the Civil Service Commission within 15 calendar days shall be deemed a waiver of your right to appeal and forfeiture of your right to a hearing before the Civil Service Commission.

SUMMARY:

On Tuesday, March 10, 2015 at about 1735 hours, Canine Officer Quiroga initiated a traffic stop on a black Honda Accord bearing California license plate [REDACTED] for not having a front license plate; a violation of Vehicle Code 5200. The vehicle failed to yield and led Officer Quiroga on a short pursuit through a residential neighborhood. The vehicle eventually yielded in the 000 block of Gladiola Drive in National City where this incident occurred.

Officer Quiroga initiated a high risk vehicle stop on the Honda and ordered the driver, Jesus Anthony Flores-Azhocar, to show him his hands. Flores complied with Officer Quiroga's orders and stuck his hands and arms out the open driver's door window. Corporal Pierson and Officer Engelke arrived on scene and assisted with the [REDACTED]

Corporal Pierson moved to Officer Quiroga's position on the [REDACTED] of his vehicle so Officer Quiroga could get his Police Service Dog from the rear kennel area of the car. At the time of this incident, Flores was an unlicensed driver and was wanted for a misdemeanor \$5000 warrant for 647(b) PC-Disorderly Conduct: Prostitution.

I became involved in this investigation as the Internal Affairs Investigator when I received a phone call from my supervisor, Lt. Keith Fifield.

INVESTIGATION:

On Tuesday, March 10, 2015, at about 2000 hours, I received a telephone call from Lt. Keith Fifield regarding an officer involved shooting.

At the time of this incident the assigned Internal Affairs Investigator, Sergeant David Bavencoff was not available. I responded to the area of Gladiola Drive and E. Division Street and met with several NCPD investigators and staff. Criminal Investigator J.C. Smith from the San Diego County District Attorney's Office was also present. I was assigned the role of Internal Affairs Investigator. Detective Corporal Leiderson Zeferino is assigned lead detective.

I attended a briefing regarding the incident led by NCPD Detective Zeferino. During the briefing Detective Zeferino relayed the facts of the case he and the other investigators had obtained to that point. I learned Corporal Darren Pierson shot suspect Jesus Anthony Flores-Azhocar one time in the left arm during a [REDACTED]. Canine Officer Raziel Quiroga initiated a traffic stop on the Honda Flores was driving. Flores failed to yield and led Officer Quiroga on a short pursuit through the residential area. Officer Kevin Engelke was riding with Corporal Pierson in a training car as a probationary officer in training.

Corporal Pierson and Officer Engelke were transported to NCPD. Officer Quiroga remained at the scene with investigators to care for his canine partner who was kenneled inside his patrol car in the secure crime scene.

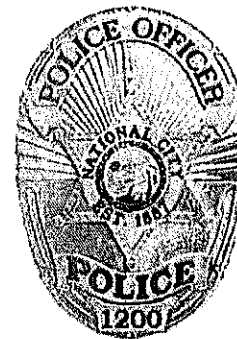

Following the briefing, detectives conducted a video recorded walk through of the shooting scene where Officer Quiroga recreated the incident for investigators. I participated in the walk through.

Following the walk through, I responded to NCPD to sit in on the interview of Corporal Pierson. He was represented by LDF Attorney Rick Pinckard.

The lab report is attached to this report for review.

During a further review of the criminal investigation, I read a report written by Detective A. Depascale in which he interviews witness [REDACTED].

[REDACTED] provided a statement and also admitted he videotaped a portion of this incident using his cellular phone. The following is a synopsis of the contents of the video obtained from [REDACTED] written by Corporal Depascale:

The video essentially depicts NCPD officers, including Officer Pierson, walking about the area of the traffic stop and tending to someone seated on the ground. [REDACTED] can be heard on the video yelling that the officers shot a stoner and asking, Are you happy? [REDACTED] said he made these statements because he was initially upset. [REDACTED] said he knows the person who got shot and has seen him around the neighborhood.

According to Detective Zeferino's report, Flores sustained a single gunshot wound resulting in comminution (splintering) of the bones within the region of the left elbow (proximal ulna, distal ulna, and olecranon).

Prior to the interview, Corporal Pierson and Attorney Pinckard expressed their interest in allowing Investigator J.C. Smith, Lt. Keith Fifield and I to sit in and/or participate in the interview. I discussed the issue with Detective Zeferino. He didn't have any opposition to this idea.

In the weeks that followed this incident, I gathered all the written reports prepared by NCPD investigators and copies of all impounded video and audio evidence. Copies of all reports and video and audio evidence are included in this file.

Interviews conducted with the suspect, civilian witnesses, and involved officers are synopsisized later in this report. The statements were taken from the reports written by officers conducting the criminal investigation.

In addition to reviewing the related reports, I reviewed Corporal Pierson's training file and department qualification shoot records. I was able to locate records related to department training shoots in which Corporal Pierson participated in dated March 8, 2013, March 11, 2014, and a certificate from the Riverside County Sheriff's Office where Corporal Pierson completed 8 hours of "Firearms/Tactical Handgun, ADV.-PSP" dated May 14, 2014. Department records pertaining to qualification shoots appear to be incomplete, however, Corporal Pierson's handgun qualifications appear to be current based on Department Operating Procedure 51.1 which requires officers to complete two department approved firearms shoots annually.

As part of the criminal investigation, Detective Zeferino submitted Corporal Pierson's service weapon, a [REDACTED] caliber [REDACTED] pistol (S/N [REDACTED]) to the San Diego County Sheriff's Department Regional Crime Laboratory for examination. The gun was tested by the lab. Under the "Conclusions" heading of that report the examiner wrote the following:

"The [REDACTED] pistol (Item 3) is operable and the magazine (Item 4) is correct for the pistol. The unexpended cartridges (Item 4) are correct for the pistol and are consistent with [REDACTED] ammunition."

COMPLAINANT INTERVIEW:

Detective Depascale contacted suspect Flores at UCSD Medical Center the night of this incident and documented the following statement:

Statement of Jesus Anthony Flores-Azhocar:

On 03-10-15, Flores was in his vehicle driving home. Flores had been smoking marijuana a little bit before the incident. Flores said, I always smoke weed. I'm not going to lie.

He was traveling northbound on E Avenue in National City and was headed toward Shelltown. Flores passed a police officer who was traveling in the opposite direction. Flores initially said he was on E Avenue but later said he was on D Avenue when he first saw the officer. Flores became nervous because the police officer was looking at him and because he had misdemeanor warrants.

Flores noticed the police officer make a U turn. Flores believed the officer was trying to catch up to him so he tried to drive away and ditch the officer. Flores increased his speed to about 50 miles per hour and then made an eastbound turn on 3rd Street. Flores initially said he did not run any stop signs.

Later, when asked again if there was a good chance he failed to stop at any stop signs Flores said, I don't remember I just think I took off. I don't know. Flores made another northbound turn on an unknown Street. Flores heard the officer's sirens. The officer's sirens were on because Flores went fast. There was traffic ahead of Flores so he was forced to stop his vehicle.

██████████ (WITNESS): Detective Ballard

██████████ told me at approximately 1700 hours he was in the kitchen of his home preparing food. The window in the kitchen of ██████████ residence faces Gladiola Dr. and is approximately ██████████ feet from where this incident occurred.

██████████ said that as he was in the kitchen he heard sirens coming down Gladiola Dr. The sirens were coming from the south. Then the sirens stopped directly in front of his residence on Gladiola Dr. ██████████ said he could not look out of his kitchen window because it is too high up to afford a good view. Realizing that something was going on in front of his residence, ██████████ walked in to his living room and looked out the window. The living room window in ██████████ residence faces ██████████ and affords a relatively clear view of the intersection of Gladiola Dr. and E. Division St.

When ██████████ looked out his living room window, he saw a black car that was stopped facing north and a police vehicle stopped behind it.

██████████ saw that the driver of the black vehicle had both of his arms sticking out of the driver's side window. ██████████ also saw two police officers standing by the driver's door of the police car. ██████████ said that both officers had their guns out and were pointing their guns toward the suspect/vehicle.

██████████ believed that the officers were yelling something to the subject in the black vehicle but he ██████████ could not hear exactly what they were saying. ██████████ then decided to open the window so he could hear what was going on.

As ██████████ momentarily looked down to unlock the window and pull it open he heard one, "Pop." ██████████ did not initially believe that this sound was a gun shot because he had never heard a gunshot like that before.

Officer Engelke believed the suspect was possibly wanted and that was the reason he did not pull over.

Officer Engelke responded with his emergency lights and siren activated to the area of E. 1st Street and F Avenue. Officer Quiroga then broadcasted that the vehicle had stopped in area of E. Division Street and Gladiola Drive.

Officer Engelke subsequently responded to the area and pulled in behind Officer Quiroga's patrol vehicle. Officer Engelke saw Officer Quiroga outside his vehicle, pointing his gun at the vehicle.

Officer Engelke and Corporal Pierson exited their patrol vehicle.

Officer Engelke saw the suspect's hands extended out the driver's window. The suspect's hands then started to go limp and it appeared to go back inside the vehicle. Officer Engelke said his view was partially obstructed so he wasn't sure where the suspect placed his hands. Officer Engelke then heard a gunshot. Officer Engelke looked over at Corporal Pierson. Corporal Pierson appeared to be looking at his gun and said, "Oh shit." The suspect then said, "I'm hit, I got shot."

SUBJECT OFFICER INTERVIEW:

STATEMENT OF CORPORAL DARREN PIERSON:

Pierson was working patrol with trainee, Officer Engelke, when he heard Officer Quiroga broadcast over the police radio that he was in a vehicle pursuit with a Honda Accord. Officer Quiroga put out that he was at Gladiola Drive. Corporal Pierson directed Officer Engelke to drive to the area.

Corporal Pierson is familiar with this particular area because it is on the border of the Old Town National City street gang and the Shelltown street gang from San Diego. Corporal Pierson has seen gang graffiti from Shelltown and their subset Gamma Street. Corporal Pierson has also made several arrests in the area.

When Corporal Pierson and Officer Engelke arrived on Gladiola Drive, he saw the suspect vehicle stopped right in the mouth of Gladiola Drive with E. Division Street. Officer Quiroga was behind the suspect vehicle and was conducting a [REDACTED]. Officer Quiroga was outside his driver's door pointing his gun at the suspect/driver.

Based on the fact the suspect failed to yield to Officer Quiroga, Corporal Pierson believed he was possibly driving a stolen vehicle, in possession of a firearm or contraband, or had just committed a felony crime. Corporal Pierson started to move to the front passenger side of Officer Quiroga's patrol vehicle when Officer Quiroga directed him to come to the driver's side.

Corporal Pierson moved to Officer Quiroga's position [REDACTED]

Corporal Pierson and Officer Quiroga quickly changed their mindset from being concerned about what the suspect was doing and the threat he posed to now being worried about what condition he was in. The suspect leaned out the driver's window and said, "Hey, you shot me." Corporal Pierson and Officer Quiroga advanced on the vehicle and realized the suspect sustained a gunshot wound to his left arm. Corporal Pierson immediately requested paramedics and a supervisor respond to the scene.

Corporal Pierson and Officer Quiroga told the suspect they were going to pull him out of the vehicle and administer first aid to his injury. The suspect was subsequently taken out of the vehicle and sat down off to the side. Officers immediately applied bandages and pressure to the suspect's injury until paramedics arrived on scene.

**NATIONAL CITY POLICE DEPARTMENT
MEMORANDUM**

Date: November 13, 2017

To: Manuel Rodriguez, Chief of Police

From: David M. Espiritu, Captain

Subject: Adjudication IA 15-2-D

On March 10, 2015, at about 1735 hours, Canine Officer Quiroga initiated a traffic stop on a black Honda Accord for not having a front license plate. The vehicle failed to yield and a short pursuit ensued. The vehicle eventually stopped in the 000 block of Gladiola Drive in National City and a [REDACTED] was initiated. The driver, Jesus Anthony Flores-Azhocar stuck his hands and arms out the open driver's door window, as directed by Officer Quiroga. Corporal Pierson and Officer Engelke arrived and assisted with the [REDACTED]. Corporal Pierson positioned himself at the [REDACTED] of Officer Quiroga's vehicle. As Corporal Pierson raised his handgun to point it at Flores, he accidentally discharged his firearm. The bullet struck Flores on his left arm.

I have reviewed and concur with the sustained findings of IA report #15-2-D.

Corporal Pierson violated:

- Department Operating Procedure 051, which partially states the following:
"Officers shall not carelessly handle a firearm at any time."
- Rules and Regulations 5.0, which partially states the following: "Employees shall maintain sufficient competency to enable them to properly perform the duties and assume the responsibilities of their positions. Employees shall perform their duties in a manner which will maintain acceptable standards of efficiency in carrying out the functions and objectives of the department."

Based on Sergeant Cameon's investigation, Lieutenant Young recommended that Corporal Pierson receive a "Written Notice of Deficiency." I disagree to the recommended discipline and believe the appropriate level of discipline should be suspension.

Rationale:

This investigation has revealed that Corporal Pierson did not maintain sufficient competency to properly perform his duties, which resulted in the carelessly handling of his firearm. As a result of Corporal Pierson accidentally discharging his weapon, a

complying suspect sustained a gunshot wound and broken left elbow, which required surgery.

[REDACTED]

Therefore, I recommend Corporal Pierson be Suspended for (40) hours.

Complainant: Department initiated

Investigator: Sgt. Christopher Cameon

This case is adjudicated and the Command will issue a Notice of Intent to Discipline for a (40) hour suspension, to Corporal Pierson within the next 30 days, for violation of the listed Department Operating Procedure, Rules and Regulations.

The supervisor will provide the employee with correction, guidance or training as necessary. The supervisor may simply explain your position, so that similar instances may be better handled in the future.

If you choose to file a formal complaint, it will be forwarded to the Internal Affairs Unit for processing and assignment. Once your complaint is assigned a tracking number you will receive written confirmation that your complaint has been assigned to an investigator within (7) days. You may be contacted by the investigator for a more detailed interview about your complaint.

Who will investigate my complaint? Complaints are normally assigned to the employee's direct supervisor for investigation. In some circumstances the complaint may be assigned to the Internal Affairs Unit.

What will happen to the involved employee? That depends on what was done and what the circumstances were at the time. If the investigation finds that the employee conduct was improper, the employee may be disciplined.

Will I be told when the investigation is completed? Yes, you will be notified by mail that the investigation has been completed and will be told the disposition. California Penal Code 832.7 requires disciplinary matters to be kept confidential, thus you will not be told the type or amount of discipline imposed.

YOU HAVE THE RIGHT TO MAKE A COMPLAINT AGAINST A POLICE OFFICER FOR ANY IMPROPER POLICE MISCONDUCT. CALIFORNIA LAW REQUIRES THIS AGENCY TO HAVE A PROCEDURE TO INVESTIGATE CITIZEN'S COMPLAINTS. YOU HAVE A RIGHT TO A WRITTEN DESCRIPTION OF THIS PROCEDURE. THIS AGENCY MAY FIND AFTER INVESTIGATION THAT THERE IS NOT ENOUGH EVIDENCE TO WARRANT ACTION ON YOUR COMPLAINT; EVEN IF THAT IS THE CASE, YOU HAVE THE RIGHT TO MAKE THE COMPLAINT AND HAVE IT INVESTIGATED IF YOU BELIEVE AN OFFICER BEHAVED IMPROPERLY. CITIZEN COMPLAINTS AND ANY REPORTS OR FINDINGS RELATING TO COMPLAINTS MUST BE RETAINED BY THIS AGENCY FOR AT LEAST FIVE YEARS.

I have read and understood the above statement. I hereby certify that the above facts are true and correct.
